County Wise Plot

a. Show County in Select Box

The screenshot shows a web browser window with the address bar displaying '127.0.0.1:5000/showcountyplot'. The page title is 'Hospital Data Visualization'. The left sidebar contains a navigation menu with 'CORE' and 'INTERFACE' sections. Under 'INTERFACE', 'Visualization' is selected. The main content area is titled 'Visualization' and includes an 'Options' section with three colored buttons: 'Map Plot' (blue), 'County Plot' (yellow), and 'sector Chart' (green). Each button has a 'show' link and a right arrow. Below these buttons is a 'Slect County' dropdown menu. The Windows taskbar at the bottom shows the date and time as 03:12 on 29-12-2022, along with various system icons and open applications.

b. Select County from Box

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:5000/sh". The page title is "Dashboard - SB Admin". The main content area is titled "Hospital Data Visualization". On the left, there is a dark sidebar with a menu. The menu has two sections: "CORE" with a "Dashboard" item, and "INTERFACE" with a "Visualization" item. The "Visualization" item is currently selected. A dropdown menu is open, showing a list of counties: West Yorkshire, Avon, Staffordshire, Yorkshire, County Durham, South Humberside, Northamptonshire (highlighted), Cleveland, Worcestershire, Lincolnshire, Oxfordshire, Cornwall, Derbyshire, Merseyside, Greater London, Middlesex, Durham, Wiltshire, Norfolk, and County Durham. The main content area has a header "ion" and three colored buttons: a blue button with a right arrow, a yellow button labeled "County Plot" with a "Show" link and a right arrow, and a green button labeled "sector Chart" with a "Pie Chart" link and a right arrow. The Windows taskbar at the bottom shows the date and time as 03:14 on 29-12-2022, and the weather as 79°F Mostly clear.

c. Showing the Selected Count Data

Compare Sector Data

The screenshot shows a web browser window with a single tab titled "Dashboard - SB Admin". The address bar displays "127.0.0.1:5000". The user is logged in as "Guest (2)". The application interface has a dark sidebar on the left with the title "Hospital Data Visualization". The sidebar contains two sections: "CORE" with a "Dashboard" link, and "INTERFACE" with a "Visualization" link (which is expanded to show "Map Visualization", "Show County", and "Compare Sector"). The main content area is titled "Visualization" and includes an "Options" section with three colored buttons: a blue "Map Plot" button with a "show" link and a right arrow, a yellow "County Plot" button with a "Show" link and a right arrow, and a green "sector Chart" button with a "Pie Chart" link and a right arrow. At the bottom of the sidebar, a small status bar shows the URL "127.0.0.1:5000/showcounty". The Windows taskbar at the bottom displays the date and time as "29-12-2022 03:16", the language as "ENG IN", and the weather as "79°F Mostly clear".
